Drug Symposium Planned

Tacoma--A comprehensive drug symposium, featuring several nationally known experts in the field of drug abuse, will be held in Tacoma March 15-17.

The three-day conference will be sponsored by the Tacoma-Pierce County Narcotic Center, a component of Metropolitan Development Council.

Several hundred persons from throughout the Northwest are expected to attend the symposium, according to Clyde Gardner, director of health services for MDC. Gardner said the program is intended for persons working in drug programs, law enforcement agencies, schools and public health agencies. Also expected to attend are ministers, physicians, legislators and both college and high school students. Gardner said anyone interested in drug problems will find the symposium worth attending.

The symposium, called the Great Northwest Drug Symposium, will be divided into the following topics: patterns of drug abuse, coordination of drug programs, drug education, treatment and rehabilitation, law enforcement, legal problems, methadone programs, armed forces programs, and industry's responsibility in drug abuse problems.

Prominent speakers at the symposium will include Dr. George Gay, medical director at the Haight-Ashbury Free Medical Clinic in San Francisco. Dr. David Smith, president of the National Free Clinic Council, will also be a featured speaker, as will Dr. James Oss, executive director of the National Free Clinic Council. Al Weese, director of the Alcohol and Drug Abuse Division of the Department of Human Resources, City of Seattle, is also scheduled to speak. Other prominent speakers will be announced later, Gardner said.

George Jackson, author of BLOOD IN MY EYE, completed just a few days before his death at San Quentin, which will be published in February by Random House. The new book by the author of Soledad Brothers, hailed as one of the most important books of this century, is a searing testament to "love revolution" and contains specific tactics for bringing that about.

MENTAL DIET

EVANGELIST CHARLES WALLER HOLGATE STREET CHURCH OF CHRIST

Negative Attitude:

This is the individual who is a semi-fatalist. He is the "if number is up it will happen" Guy. He also feels that Christianity is bossy stuff. It's for women and children. He also finds fault with everyone, but himself. He is against everything, but "for" nothing. So afraid of doing wrong - he does nothing. The greatest mistake is doing nothing.

"COULD THIS BE YOU"
"We hope not."

Neutral Attitude:

He is the person who says "yes Christianity is a good thing, but it would interfere too much right now, with other activities, that I want to do. Yes, people will be lost, if they do not obey God, but, it can't happen to me. He lets others do all the work. He does not get involved himself. He is the "Let George do it" kind of individual. Now here this: "I know your works, that you are neither cold (negative) nor hot (positive) and because you are lukewarm (neutral) I will spit you out of my mouth." Rev. 3:15-16.

"COULD THIS BE YOU"
"We hope not."

Positive Attitude:

He believes that things need to be done, and busies himself in the doing. He does not wait for His wife to do everything around the house, including the spiritual training of their children. He knows that if he gets tired, that others must also, and therefore knows that his excuse "I'm too tired" to do this or that will not hold up. He knows that if George can do it, so can "He." He must be involved. God being His helper, "He can do all things through Christ who strengthens Him."

"COULD THIS BE YOU"
"We hope so."

by Elder Jesse Pollock of Bremerton, WA

JESUS' EPITAPH

When we wander through a graveyard and look at the tombstones, we see one heading to them all: "Here lies." Then follows the name with the state of death and perhaps some praise of the good qualities of the deceased.

But how different is the epitaph of the tomb of Jesus! It is not written in gold nor cut in stone - it is spoken by the mouth of an angel, and it is the exact reverse of what is put on all other tombs: "He is not here!"

DON'T STAY AWAY FROM CHURCH

Because you are poor.
Admission is free.
Because it rains.
You go to work in the rain.
Because it is cold.
It is warm and friendly here.
Because of hypocrites.*
You associate with them every day.
Because of your clothes.
Our congregation is not a fashion show.
Because your congregation always wants money.
So does your grocer!
Because you have time ahead for Church.
Are you SURE?
Because of company.*
They will admire your loyalty. Bring them, too.

* These two excuses are suitable for year-round use.

THE PERFECT ANSWER

A little old man was seen every Sunday morning and evening walking to church services. He was deaf so he could not hear a word of the sermon, the words of the prayers, or the hymns sung by the congregation. A scoffer asked, "Why do you spend your Sundays in that church when you can't hear a word?"

He replied, "I want my neighbors to know which side I'm on." If our circumstances find us in God, we shall find God in all circumstances.

*** If you listen to someone criticize you, even unkindly, and receive instruction from it without hard feelings - that is maturity.

A TOOL OF THE DEVIL

Once upon a time, it was announced that the Devil was going out of business, and would sell his equipment to those who would pay the price. On the day of the sale, it was attractively displayed.

There were envy, jealousy, hatred, malice, deceit, sensuality, pride, idolatry, and many other implements of evil on display - each with its own prive. Off by itself a harmless looking wedge-shaped tool very much worn, was priced higher than any other tool. Someone asked the Devil what it was. "That is discouragement," replied the Devil. "It is more useful to me than any of the others. I can pry open and get into a man's heart with that when I cannot get near him with any other tool. When once inside, I can use him in whatever way suits me best. It is worn because I use it on everybody, but few know it belings to me."

This tool was priced so high it was never sold. The Devil still uses it.

Is the Devil working on your heart with this very tool? Let's recognize the source of this tool and do not let its workings damage our hearts and lives!

THE ONE TRUE LEADER

Black People of America, the lies and criticisms coming from the enemies of Messenger Muhammad cannot and will not overshadow the good that he has done and is doing for you and I. His work speaks for itself. No matter what they say, you should not let this interfere with your coming to the Nation of Islam. If you let lies and slanderous remarks about the Messenger Muhammad prevent you from following him, then this shows that you are weak and that you are easily led in the wrong direction.

Black People of America, no matter what you hear, it has no bearing on the fact that Messenger Muhammad is the only divinely missioned and qualified leader, teacher, and guide for you and I. No matter what you hear, it does not hinder the fact that Mr. Muhammad has done more for the Black People, mentally, spiritually, and physically, than any other man, or that Allah (God) himself. No matter what you hear it has no bearing on that which he teaches, which is the truth. Nor does it change the proven fact that he is who he says he is-The Messenger of Allah (God), who came in person as Master Fard Muhammad to whom all praises are due. Many Black are using feeble and ridiculous excuses (lies about Muhammad) as the reason that they do not come and follow him as their objection towards him. The Devil whiteman knows who Muhammad is and they know that he is teaching nothing but the truth from Allah (God) but they want to keep as many Black People away from him as they can. However, as I mentioned before, this will not impede the unlimited success of Messenger Muhammad and the Nation of Islam, for God is with the Muslims. The nation of Islam is expanding today by leaps and bounds, throughout America like an epidemic under Muhammad leadership. He is the only Black leader who is attacking the unemployment problem among the Black People in the proper manner, by creating jobs for ourselves. So, Black Brothers and Sisters, instead of listening to and reading from what the enemies of Muhammad and all Balck People are saying of him, why not come to the temples of Islam and take a closer look at what Muhammad is doing. Read Muhammad Speaks, Message to the Black Man, and listen to his record albums, for a better understanding of His mission. Let nothing and nobody stop you from coming to Muhammad. JOBS

Benito (Ben) Richardson has joined the Staff of the National Alliance of Businessmen (NAB) in Tacoma as a Veteran/JOBS representative (VJR). Richardson, who served in South Vietnam for a year, will assist the drive in Tacoma and Southwestern Washington to find jobs for Vietnam-era veterans. The National Alliance of Businessmen has promised President Nixon it will find jobs for at least 100,000 veterans nation wide by June 30.

The NAB is the nation's major force to help find jobs for the disadvantaged. The NAB National goal for hiring disadvantaged this year is 225,000. Locally the NAB has helped to find jobs for more than 1231 disadvantaged since the program was begun in Tacoma.

As VJR, Richardson will maintain liaison with federal, state and local employment agencies in Tacoma and Southwestern Washington ane with federal sgencies such as the Department of Labor, Department of Health, Education and Welfare, the Civil Service Commission and the Veterans Administration.

Mr. Richardson, a native of Chicago will also work iwth the Veterans of Foreign Wars, the American Legion and other community groups concerned with the employment of veterans. Bill Jeffries In Local Appearance

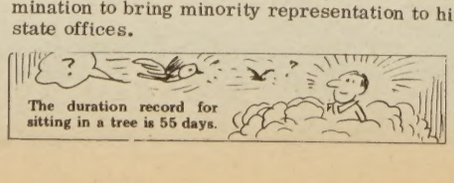
"It is just as wrong for a state to abandon its wounded or disabled citizens as it is for a military unit to do so", says Bill Jeffries, Governor Evans' special advisor on Indian affairs and potential candidate for Lt. Governor this fall.

Speaking before the 29th District Republican Club last Wednesday, Jeffries went on to say, "No state can exist for long if it continue to abandon the emotionally or economically crippled citizen and leaves him to fall by the way side. The task of the state is to represent all the people, including those who are disadvantaged, who may be emotionally or physically unfit, or even be opposed to the state itself. It cannot permit itself to become the possession of a favored few to run as they choose."

Giving his philosophy of state government, Jeffries spoke of the changes on the Indian scene as evidence of what can be accomplished. Pointing out that the first order of business must be gaining the confidence of the people that there is a genuine desire and intent to represent everyone fairly, honestly and with the minimum possible injustice, Jeffries said there has been more trust developed among Indians with respect to state government during the last 8 years than in the whole century preceding. "This sense of trust could not have been developed if the Indian had not been convinced that the state leadership cared", Jeffries mentioned.

"It is the essential ingredient, and no amount of words can substitute for it", he continued. "Despite the actions of individual legislators, the Indian has generally come to accept the sincerity of such people as Evans, Kramer and Gorton. They may not always succeed, but they are trying; and this counts for a lot", he says.

If current rumor is correct, then Jeffries may very well be the Republican candidate to oppose Cherberg for the Lt. Governor's slot in the election this fall. A Cherokee/Sioux Indian himself, Jeffries seems to follow in the Art Fletcher track as symbolic of Republican determination to bring minority representation to high state offices.



The duration record for sitting in a tree is 55 days.

Ups Received Grant For Head Start

The University of Puget Sound has been named recipient of a $69,833 grant from the Department of Health, Education and Welfare for monitoring Head Start Early Childhood Education programs in Washington, Oregon and Idaho. The announcement was made by Earnest DeRocher, Director of the School of Education at UPS and initiator of the grant.

According to DeRocher, UPS is the only university in the nation to date monitoring these programs on a regional basis. As a result of the grant, five full-time staff will oversee progress in 17 agencies throughout the Northwest from February through August, 1972.

Each of ten program components, including administration, recruitment, parent involvement, social services, educational programs and others will be evaluated individually. Staff findings are then submitted to the Regional Office of Child Development in Seattle.

"The receipt of this federal grant provides the university with another opportunity to develop a new service for the community," said DeRocher. "At the same time, it assists UPS in improving our expertise in the field of early childhood education."

The $69,833 grant marks the UPS School of Education's fourth major federal grant in the past year.

Undercover Agent & FBI Informed To Speak In Tacoma

Gerald W. Kirk, a former student at the University of Chicago who reported the inner workings of the New Left to the FBI and to a committee of Congress, will address a public audience in Tacoma, on February 28th at 8:00 PM, at Mt. Tahoma High School Auditorium. His talk based on personal experience and tracing the hidden purpose of the revolutionary violence is titled "More Dangerous Than A Riot."

Kirk contends that protest and intimidation and destruction are but the visible aspects of a movement that has important long-range purpose.

"The street revolutionaries" he claims, will never succeed in working toward the overthrowing of the U. S. Government. That is not their aim, he says. "Their purpose , insists Kirk, "is to scare the American people into accepting total government from Washington".

It is a pincer movement, explains Kird, of action and reaction, of violence and non-violence designed to bring about martial law.

While working as an FBI informant, Kirk gained wide experience inside the New Left. He claimed to have been mid-west director of the WEB DuBois Club, a member of the SBS and the Communist Party itself.

Kirk reviews the New Left's methods of confromtation politics and high-lights what he claims will be their strategy during this years election campaigns. "The hippies, the yippies and the communists" says Kirk, "hope to jam San Diego next August and create the biggest Political spectacle in the U. S. History."

This program is one in a continuing series of lectures sponsored by the TRAIN (To Restore American Independence Now) Committee.

For further information regarding this meeting or on the committee please call LE 1 8022 or write to TRAIN Committee, 409 Garfield, Tacoma, Washington 98444.

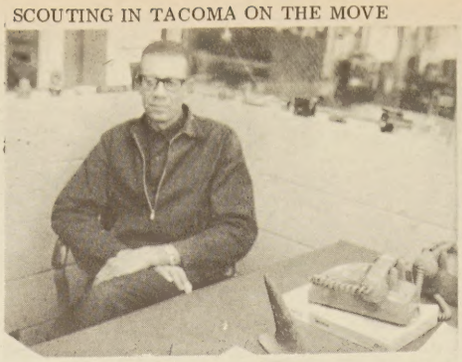
Slade Gorton In Hilltop Appearance

Attorney General Slade Gorton is scheduling a busy day in the Hilltop area this Thursday, February 17.

Activities include a stop at the First Congregational Food Bank, another stop at the Central Employment Agency, and a final tour through the Crisis Clinic. Particular attention is to be given the work of the Central Employment Agency in finding jobs for persons who have been placed on work/training release programs from state institutions. The stop at the Crisis Clinic will include a general survey of their operations, which consist of such diverse activities as talking a potential suicide into accepting help or finding emergency dental assistance for an isolate, out-of-work young man, or counseling a troubled teenager over the telephone.

At 7:00 p.m. that evening, Mr. Gorton will be a guest at an informal, no-host reception to be held in the balcony of Browne's Star Grill. All persons interested are cordially invited to attend.

SCOUTING IN TACOMA ON THE MOVE



OUR KIDS NEED HELP! And they're getting it from men in our community such as Cecil Stewman, Bill Tolbert and Samuel Kinlow. Mr. Stewman is the Assistant District Commissioner for Boy Scouting in our area. Bill Tolbert and Sam Kinlow, as Unit Commissioners, keep the program going by assisting the cubmasters and Scoutmasters of the fourteen Packs and Troops they serve. They need your support!

The Mount Rainier Council Sustaining Membership drive was kicked off February 12th, to provide the additional funds necessary to sustain the current level of Scouting in our area. How much does it cost us for a boy in our community? Maybe he'll never cost a dime, but suppose he gets into trouble and goes to jail, then he's going to cost us plenty. It costs the Mount Rainier Council just a few dollars a year to keep a boy active in Scouting, and that's where you can help. Scouting gets part of its' support from the United Fund Campaign. All of the rest of Scoutings' support must come from the people who believe in the Scouting way. Please support these and the many others like them who volunteer efforts make useful citizens for tomorrow.

Information and Referral is a Model Cities service working in co-operation with Comprehensive Mental Health Center. It is designed to help people find the resources they need as quickly as possible. We take calls for food, clothing transportation, housing, legal aid, rentor' rights, etc., and have files on over 200 social and health agencies in Tacoma.

The Information and Referral staff are a group professionally trained and supervised. These volunteers know and understand your needs and are eager to help. I & R is available 24 hours, 7 days a week, because we know that problems don't stop at 5:00 p.m. Our resource viles are comphrehensive and current, being continuously up dated with new resources as they appear.

The purpose of I & R is to aid people in locating what they need. We have been serving an increasing number of residents from the Model Cities area. One out of every three calls in January was from the Model Neighborhood.

At I & R we realize we can't help everyone, all we can do is try to get information to as many people as possible. If people know of the resources available in the community, then they can use that information to their own advantage, and that information is power.

FAREWELL TO MAHALIA

Thousands At Singer's Rites

CHICAGO — Chicago bade its final farewell to beloved gospel singer Mahalia Jackson Tuesday of last week as an over-capacity crowd of 6000 filled seats and lined the aisles of McCormick's Pl.'s Arie Crown theatre during the two-and-one-half hour long funeral service.

Police guards were stationed at the glass doors surrounding the theatre to prevent the entrance of an additional 2000 people who were refused admittance because there was no standing room left.

The last rites for the famed vocalist drew many people representing many walks of life; from dignitaries and entertainers to "simple" people, as Miss Jackson called herself.

The atmosphere of the service could be well likened to Miss Jackson's life, punctuated by beautiful songs of local church choirs and filled with uninhibited surges of emotion and religious faith.

In attendance were entertainer Sammy Davis Jr., who represented President Nixon; Gov. Richard B. Ogilvie; Mayor Richard J. Daley; Mrs. Martin Luther King Jr.; Harry Belafonte; Pearl Bailey; Ray Charles; Ella Fitzgerald; Aretha Franklin, and Rev. Joseph Jackson, president of the National Baptist Convention. Mr. Jackson delivered the eulogy. Rev. Leon Jenkins served as master of ceremonies.

Mayor Daley was frequently interrupted by resounding applause as he spoke of the legacy left to the people of the world by Miss Jackson.

"She found singing as natural as breathing," he said, "she filled her heart with the glory of God and of the living."

DETROIT'S REV. C. L. FRANKLIN (in sunglasses at right) and daughter Aretha say a final farewell to their friend of many years, Mahalia Jackson. Miss Franklin sang at memorial services Tuesday for Miss Jackson at Chicago's Arie Crown theatre. Rev. R. Wendell Harris, pastor, Olivet Baptist church, was also among Detroiters attending the rites.

'Some Prayed, Some Cried Out And Some Wept'

CHICAGO — Sentiments of love, respect, worship and admiration overflowed from the "little" people attending the service of famed gospel vocalist Mahalia Jackson here last Tuesday morning.

A huge crowd, unable to gain entrance into the Arie Crown theatre in McCormick Pl., waited behind closed doors for hours while the service was in progress. Those unable to find seats inside the theatre stood reverently in the back and along the sides.

Friends and admirers of Miss Jackson — many from Greater Salem Missionary Baptist church, 215 W. 71st St., where Miss Jackson had been a member for more than 40 years — expressed their sorrow in many ways. Some wept, some prayed, some cried out; many sat in silent reverence.
